SUBSTITUTION OF DRAWINGS

Sir:

In response to the Notice of Non-Compliant Amendment dated April 12, 2007, please substitute the attached "replacement sheet" for the previously filed drawing. The drawing has been marked "replacement sheet" in the top margin.

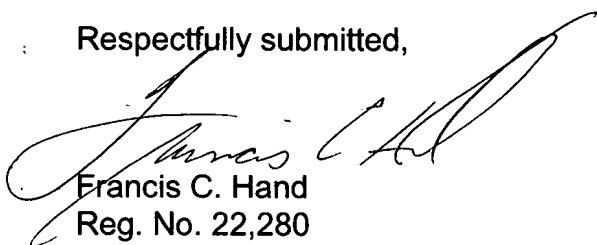

Two prior facsimile filings of a drawing marked "replacement sheet" in the top margin have been met with Notices of Non-Compliant Amendments. Apparently, the USPTO facsimile receiving machine is unable to priny out text in the top margin or is cutting off the top margins.

This third attempt to file a replacement sheet of drawing is being made by first class mail.
